Cube

Cattle

Range 20 Cubes

For Beef Cattle on Pasture

Range 20 Cubes provides protein, energy, minerals and vitamins and is designed to supplement mature grass or forage being fed to or grazed by beef cattle. Feed at a rate of 1 to 9 lbs/head/day. Additional mineral supplementation may be required depending on forage quality and animal requirements. Always provide plentiful forage and water daily. This product was made in a feed manufacturing facility that does not handle or store products containing animal prohibited in ruminant feeds.
